A Brief History of Climb Via: What Happens in Vegas ... Goes Throughout the NAS

A discussion for Flight Instructors and serious instrument pilots and students on the whys and hows of "Climb Via" phraseology will be led by Keith Gordon, the NBAA's Las Vegas Airspace and Procedures Rep, an original member of the "Climb Via" action team and Pilot-Controller Phraseology and Systems Integration work group. Keith is the Director of Aviation for a Henderson-based corporate flight department and is responsible for the development of Henderson's RNAV SIDs and STARs.
